DVD: <http://www.postpartum.net/resources/psi-educational-dvd/>

Healthy Mom, Happy Family: Understanding Pregnancy and Postpartum Mood and Anxiety Disorders: Four women who have suffered and recovered from perinatal mood disorders share their experiences and help reassure and educate new mothers, their family members and friends, and health care professionals. Their poignant stories are complemented by up-to-date information from experts in the field. Movie length: 13 minutes.

Brochure: <http://www.postpartum.net/resources/psi-brochure/>

A resource about perinatal mood and anxiety disorders for families, groups, clinics, and hospitals.

Posters: <http://www.postpartum.net/resources/psi-awareness-poster/>

Raise awareness of pregnancy and postpartum mental health and provide messages of help and hope.
